"You have done splendidly: Good work! Thank you, boys!"

"The men tramped to their tents, walting on the hillside and threw themselves on the grass. In a moment many were asleep, but some, not too tired to talk, told for measures. Paris Reports Capture of Whole System of Trenches told fragmentary episodes of the drama of Ginchy. The 'Jerries,'—the Irish name for the Germane—had put up a on the Somme Front.

stubborn fight. They were sood fighters, but treacherous, and used explosive bul-lets—nothing would convince the Irish to RUSSIANS TAKE RIDGE the contrary—and in various ways had shown themselves unworthy of decent

Occupy Kapul Mountain in Carpathians, Making 913 Prisoners.

Pants, Sept. 12,-The French official statement issued to-night said :

The battle continued to-day north of the Somme. Our infantry delivered a vigorous offensive on a six kilometer front between the district south of Combles and the river. The attack started at 12:30 in the afternoon and developed rapidly, thanks to the spirit of our troops, who in less than half an hour captured the whole of the first

line German trenches. Subsequently pushing eastward with the same vigor we took oncessively Hill 145, Marrieres wood and the whole system of trenches the Bethune-Peronne road, which we now touch from the southern outskirts of Rancourt to the district south of Bouchavesnes. Further south we pushed our lines to Hill 75, west of

Feuiliaucourt.

Up to the present the total number of prisoners reaches 1.500. These instante numerous officers.

South of the Somme the artiflery fighting was violent in various sectors without infantry action. There was without infantry action. There was an intermittent cannonate on the remainder of the front. GAINS ON SOMME

The afternoon statement -ave South of the Somme an enemy at tack against one of our trenches to the east of Belloy-en-Santerre was re-pulsed easily by means of granades. A minor operation enabled us to oc-cury a German trench south of Bony

ross bombarded military establish-ments at Lemonsourt, the railroad station at Metz-Sahlons and military factories at Dillingen. One of our pitots brought down an enemy acro-plane, which fell east of Raudurt, on

On the Struma front British troops engaged in violent fighting, during which the village of Nevolyen was batteries effectively bombarded

Bulgarian organizations in the sec of Makukovo, west of the Vardar vigorous offensive of allied tro-nerth of Majadag gave excellent sults. All Bulgarian trenches were captured on a front of two miles and a depth of about \$99 yards. We took some prisoners.
West of Lake Distroyo Serbian arti-lery displayed great activity in the re-gion of Banica. Southwest of the lake

partial engagements enabled us to obtain some advantage. A Bulgarian at-tack which was repulsed by our fire caused heavy losses to the enemy

British Artillery Active.

Loxnon, Sept. 12 .- The British night

reads There was intermittent hostile shelling on the front outly of the Ancre Our artillery destroyed some enemy 2 in pits and set after an ammunition store foring the past twents-your hours some fifts prisoners have been brought

terday one of our machines, which re-turned safely, collided with a hostile aeroplane, which fell out of control and disappeared in the clouds day a hostile machine was bro down in flames in our lines near zieres. Two of our aeroplanes failed to return.
The following is the day statement:

Western Front-Yesterday evening our heavy artillery caused two large conflagrations in the eleniy's ammuniconflagrations in the enemy's ammuni-tion depot at Grandcourt. There was some hostile artiflery activity during the night against our lines between Delville wood and Mouquet Farm. Macedonian Front—The detach-ments mentioned yesterday as crossing the Struma at Nechort seized trenches on the acatery bank.

A French detachment cooperating with the British captured the village of Yenimah and took thirty prisoner In these operations the eremy suf-fered heavily from rifle and artiflery fire during his retirement, and also in his counter attacks. Many ambulances were seen on the Demir-Hissar road. f the enemy trenches north of Maku-
